### ➔ AcneVva

AcneVva is an intensive chemical-free acne gel that works deep beneath your skin where acne originates, killing it at its source. This invigorating blend of aloe Vera, green tea, witch hazel, tea tree oil, lavender, and chamomile work together to leave your skin feeling clean and refreshed.

### ➔ What Makes Our Acne Gel Superior

AcneVva cleanses, tones and refines the pores of oily skin by deeply penetrating and neutralizing bacteria where it starts. With tea tree essential oil, our herbal Acne Serum will aid in correcting acne, pimples, whiteheads and blackheads. First time use, you'll know the difference by soothing feeling without any irritation.

>> Tea Tree Oil is oil extracted from the leaves of the Australian Melaleuca Alternifolia tree. It has powerful anti-fungal, anti-bacterial, and anti-viral qualities. This oil has been proven effective killing acne bacteria when topically applied and often used as a replacement to benzoyl peroxide.

>> Witch Hazel was one of the American Indian's favorite skin problem herbal remedy. This amazing herb has anti-viral, reduce inflammation properties.

>> Aloe Vera - For thousands of years, Aloe Vera was used for elimination infections to restore the skin. Relation to acne, Aloe Vera help reduce acne by strengthens the immune system to build natural defense. Aloe Vera also has natural anti-inflammatory properties. Because acne is an inflammation product such as acneVva loaded with Aloe vera will help reduce inflammation.
